Gospel is good news. It is the power of God, which means transformation.

Insights from these theme verses: salvation from beginning to end, faith from beginning to end, righteousness—declared in you and lived out through you.

Reflective Questions:

1) What is something you are passionate about besides your faith in Christ? In what ways does Paul reveal his passion for the Gospel?
2) What impresses you the most about Paul's longing for connection to the believers in Rome? What does a heart to give to others reveal about you?
3) How do you understand the Gospel according to verses 16 & 17? What does it make you want to do?
