

As we begin the New Year, there is an important topic on my mind. It seems very crucial to me and I feel led to make it the focal point today.

Titus 2:1-10

1) Everyone Included = Family

2) Everyone Learns = teach means train

Character → self-control

www. . . will, words & wise

3) Everyone Together = relationships

“spur one another on toward love and good deeds.”

—Hebrews 10:24

4) Everyone Wins = God is attractiver

2018 = Pass It On

THE NEXT FIVE YEARS = HAND IT OFF

Reflective Questions

- 1) Who is someone that God has used previously in your life to help you grow spiritually? How did they impact your life?
- 2) What impresses you about Titus 2:1-10? How would you summarize Paul's message to the young pastor, Titus?
- 3) How can older and younger Christians help each other? How might you respond to this topic?
