

PRACTICES FOR THE WAY: "PRAYING THE BIBLE"

Here's how:

Read the passage slowly.

Read the passage again, slowly.

Look for a special word, phrase or thought that seems to speak directly to you and your life.

Turn that into a prayer back to Him (perhaps write it out).

Then when nothing else comes to mind, go on to the next verse.

Resource ideas:

If you like audio-visual, go to You Tube and type in
"Praying the Bible with Don Whitney: Day 1 (2, 3, 4, 5)"

If you like to read, buy the thin book of only 96 pages
"Praying the Bible" by Donald Whitney

Notes:

In the video clips of days two through five, Don talks about praying the Bible in other sections of the Bible. There might be some adjustments to your approach in the New Testament letters or in the Gospels with narrative and parables. So, take five minutes for each of the other four videos.
