

# GREATER THAN . . . HANG ON TIGHT

11.11.18

This is such a wonderful time of the year to go along with the marvelous message for today from the Book of Hebrews.

When we stumble, we are prone to run away.  
We join mother Eve and father Adam as they did the same thing.

## Hebrews 4:11-16

Review: v.11-Enter rest by faith, or run away by disobedience.

God's Word builds faith and exposes disobedience.  
And God knows everything (vv. 12-13)

### THE INVITATION —

- Jesus is great - Fully God (v.14)  
Theme verse Hebrews 1:3
- Jesus as we are - Fully man (v.15)  
tempted - bring down → tested - build up
- Jesus at the throne - Full of mercy (v.16)  
Approach with confidence for timely help!

Are you experiencing sorrow, danger, fear, temptation, trials, uncertainty, disappointment, pain, suffering, rejection, persecution, loss . . . (?)

Jesus understands and He wants to help,  
may this give you hope!

### Reflective Questions:

- 1)What is one of your favorite Bible verse? Why?
- 2)How does the Word of God build us up; expose our thoughts and attitudes?
- 3)What do we learn in this passage that might help us hang on tight?
- 4)What might you bring to the Lord for his help and mercy?
