Music by Jesse Dreher

verse 1

am C
I must go home by the way of the cross
G am
There's no other way but this

I won't get sight of the gates of light
G am
If the way of the cross I miss

I must go on in the blood sprinkled way
G am
The path that the Savior trod

and if I climb to the heights sublime
G am
Where the soul is at home with God.

I bid farewell to the way of the world

To walk in it nevermore
